Dear Antonia:

I don't believe we have ever had such a beautiful event at the Norris Pavilion when we celebrated our 25th Gala Anniversary on September 28, 2007.

The addition of the lovely chair covers, you so graciously donated to the party, made the affair so elegant.

Everyone was thrilled with the way the Forum looked and your gift was the answer to the overall ambiance and drama in the room.

Thank you so much for your generosity and support of the Norris Center for the Performing Arts and contributing to the 25th celebration of the Center.

It is my pleasure to recommend your services to my renters assuring them that they will have personal attention with reliable and dependable service.

Sincerely,

June Yates
Event Coordinator
